#### REMARKS

Claims 1-11 and 13-18 have already been allowed by the Examiner.

Claims 1 and 4 have been amended to specify, as an antecedent basis, the phrase "pole path." Claim 4 has also been amended to specify its dependency upon claim 1.

Claims 5, 6 and 8 have been amended to specify their dependencies upon claim 4.

Claims 19 through 30 have been added. Claims 19 through 29 are identical to claims 1-11 with the exception that the language in claim 19 has been modified to address the subject invention in a slightly different fashion. Dependent claim 30 has been added to specify the linkage having a plurality of rods.

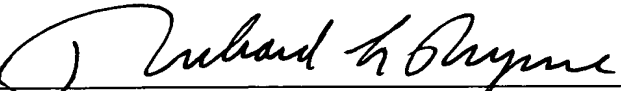

Please find attached drawing sheet 2 of 17 with proposed changes in red. Specifically, Figures 5 and 6 were inadvertently labeled as "prior art" and the proposed changes involve removing this designation from these figures. Upon approval of these changes, a revised formal drawing sheet will be provided.

No new matter is believed to have been added by this Amendment. Allowance of claims 1-11 and 13-18, as amended, and allowance of new claims 19-30 are respectfully requested.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON
